STANDARD
CHECKING
ACCOUNT

- Start by features exceed industry standards and include:
- 24-hour access to your account information
 - The Security Network - online activity designed to detect fraud
 - All checks are scanned and stored electronically
 - The "Check" button on the screen allows you to deposit checks
 - Photo Self-Deposit - scan checks from front and back
- Do not cash it:
- Any of the features listed above are not working properly
 - The check or any of the pieces has disappeared
 - The check is not dated and is not payable to you
